ABOUT US

OUR PASTORS

David and Susan Strahan are the founding pastors of Life Church and lead us in our spiritual development. David has been helping people find the meaning of life for over 25 years. Susan leads our fine arts team and Life Academy. It is their desire to discover the REALIFE!

OUR STORY

Everyone has a story to tell. Ours began in 1997 when a small group of friends had a desire to help people in the greater Gadsden area. It wasn't long until others joined them and formed a community of Christian believers called Life Church. Today, we exist to help hurting people discover what life is really all about. To us, church is more than buildings and religion. It is a group of people filled with hope, love and joy living under the direction of Jesus Christ. Authentic Christianity is about relationships. Whether you are just beginning to investigate Christianity or you already have a mature relationship with Jesus, we are here to help you take the next step spiritually and to offer you a place where you can be involved.
