Pick up your LIFE Journal at the Hospitality Desk or view the daily reading online at www.lifechurchag.org.

It is three simple steps and it will change your life.

Step 1 - Find the scriptures for today.

Step 2 - Read the passages with an open heart and Jesus will give you words of encouragement, direction and correction.

Step 3 - When Jesus gives you a Life Lesson, write out your **S.O.A.P.**

S - Scripture - the main passage that spoke to you.

O - Observation - what you see in the scripture.

A - Application - write how you will be different today because of what you have read.

P - Prayer - write out your prayer.

The early church was known for four things:

- Passionate worship
- Active outreach
- Effective ministry
- Loving community

They shared the common life together, engaged in conversations of faith, and built lasting friendships. We invite you to do the same.

Connect with us through small groups this semester. There are groups ranging from hobbies and fellowship to marriage enrichment. We also have groups using Life Journals. There is a place for every age from 4th graders to senior adults.

Jesus taught this.
The apostles modeled this.
The early church valued this.

Let us live it!
