

Good Evening, Life Church!

Sheila and I wanted to let you know what is going on here, at Life Church. As you are well aware by now, we are in unprecedented times. We have never been here at this point in history before. We have no clue what is going to happen over the next few days, weeks to come. As you know, things have been changing by the hour. However, one thing we do know, God is in control.

We believe IT IS TIME TO BE THE CHURCH. This can be our greatest hour. We do not need to operate in fear, but Faith, in our efforts to respond to the Coronavirus 19. We want to exercise Godly wisdom as we are processing through this. The leadership of our Nation has given us safety regulations that they are asking us to follow. According to the Word of God, we are instructed to obey those in authority of the land. They are not asking us to stop preaching the Gospel. They are asking us to stop gathering in groups of 10 or more to flatten the curve with the spread of this virus. That is what this is all about. Therefore, the leadership of this church has met and we feel it is in our best interest and the safety of our people to close our doors for the next several weeks. We will be monitoring the situation closely and keep you posted on our next corporate gathering.

We know God is in control and we believe this is a great time to get our lives in order, put things into perspective and hit the pause button for personal evaluation and reflection. We believe this is the best time for us, as a church, to “BE THE CHURCH.” In times of crisis, we are needed now, more than ever. We have a chance to be and show what a Church Without Walls really looks like. The Church is not a building. The Church is the people, the body of Christ. That Church is life-giving.

For the next few weeks, we will not be meeting corporately. During this time, we want to remind you, “Families stick together, no matter what.” As your church leadership, we have been praying and have set a plan for our church family to “BE THE CHURCH” and be intentional as we CONNECT, GROW, and SERVE! We encourage you to invite others in your circle of influence to our online church because during times of crisis, people are looking for answers.

A lot of what we will be doing will come through FaceBook LIVE. However, we will also be posting everything to our Church website. Here is what our schedule of events will look like.

It is also vital we stay connected and in community. So, reach out to other people in our LifeChurch family and those you are connected with. We cannot let social distancing create relational separation. We need each other because we are better together. Remember, our word for 2020 is “ONE.” If you know of any needs or have any prayer requests, please send them to us through our website. We are looking for ways to serve and be the hands and feet of Jesus in this city. We will let you know as needs arise.

We also want to remind you to be faithful with your giving during this time. There are three ways you can give. You can give online, by mail, or in person – but for now, please don’t come in person. 😊
